

Off-Campus Student Services Pack Pledge

I recognize and welcome my responsibility as a new commuting student to actively participate in our JWU community.

As a Wildcat, I will succeed academically. I will go to class and devote the necessary time to my studies. I will graduate, and that journey begins with a strong focus on my education.

I promise as a new commuter to follow the spirit of the Wildcat Way by positively demonstrating Pride, Courage, Character and Community as a member of this pack.

I promise to ask for help whenever I need it because I know it is available to me. My Pack Leader(s) and other members of the pack, will guide, support and encourage me. I know that I never have to struggle alone or suffer in silence.

I pledge to Run With The Pack and enjoy all it means to be a Wildcat.

WELCOME TO THE PACK!!!
